A few words from Stephanie

Another MCKC National Specialty week has come and gone. This year we had the craziness of having to move from Hatboro to Morris & Essex and then back to Hatboro, something that only happens every 5 years. However, we all took it in stride, dealt with the challenges that Mother Nature (a Nor'easter and possible hurricane/tropical storm) and traffic handed us and had

a great time! Exhibitors put on their own show with all the different hats they wore at Morris & Essex as well!!

A huge thank you to everyone that helped put on another successful specialty week! We had a very large turnout at our annual membership meeting, dinner and auction. I'm sure that those who attended also noticed how many amazing auction items we had this year. Thank you to everyone who donated items for the silent auction, and of course for the Chapter Club baskets. Thank you to Susan Dunivant for another gorgeous futurity print. Thank you to our futurity judges ~ Rich Basler, Eddie Dulaney and Doreen Fletcher ~ for doing a fabulous job with all of the puppies; to Gigi Lorentz-Reiling for being our National Sweepstakes judge this year; and to Gene Possidento and Gerry Yeager, who did a great job as our ring stewards at Montgomery and kept everything moving along smoothly.

We have some exciting changes that will be happening for the club this year and I hope that all of you will be as excited as I am! I'd like to welcome our three new Governors: Cheryl Purcell, Dr. Scott Kellogg and Dr. Natalia Samaj Kunze. Thank you to our outgoing Governors for your hard work and dedication for the terms that you served: John Garahan, Martha Nazak and Priscilla Schwenk. Unfortunately Bill Kearney did resign from the board and his position as corresponding secretary. The board discussed his replacement and voted in for Bill's remaining year, John Garahan. He will also act as our corresponding secretary for this year. Thank you John for stepping up to fill that position!

One of the biggest changes that you will see this year is that Blueprints will begin converting to color. In this issue you will find the new advertising rates that will take effect when we make this conversion. Our Blueprints editorial committee is very excited about this change and hopes you will be too!

Remember all the nagging I did to get you all to pay for your handbook ads? That will be going to the publisher next year and will be available for sale mid-late 2016. Thank you to everyone who has contributed an ad for the new handbook. If you remember, we haven't had one published since 2005. This is a piece of history for the USKBTC that I believe everyone should be included in it!

The board of Governors also voted to give all of our regional clubs a 5 year blanket to hold your specialties. Please keep in mind that you still need to contact the board if you have a date change so that we can make sure it doesn't conflict with another specialty weekend. Please contact John Garahan to receive your 5 year blanket letter. Make sure you keep it in a safe place and in your records moving forward!

The new USKBTC traveling specialty will be held June 25, 2016 in beautiful Long Beach, California! I know that the KBTCSC has already started working hard to put together a great show so I hope to see many of you there! The show will be held in conjunction with the Great Western Terrier show weekend and while they have moved from the Queen Mary event park, the new location is just as great! As everyone is always looking for points/majors, typically this weekend always has majors!

I hope that everyone has a joyous holiday season and I look forward to being your President this year. Good luck at all your upcoming shows!!

Stephanie Clark

A Letter from the Editor...

Autumn 2015. . . As I put the finishing touches on *Blueprints*, it seems like only a few weeks ago that the show season was moving into full swing with chapter club specialties every couple of weeks. Now most of us are looking ahead to 2016, making plans to breed our next litter or bring out that youngster that has grown into a promising young show or performance dog.

Montgomery and the National Specialty have come and gone yet again. While I believe I can safely say that a good time was had by all this year, the majority of the week leading up to Montgomery day was definitely windy and **WET!** With lead-en skies the majority of the time, rain gear and duck shoes were the order of the day ~ every day. Luckily, most of the rain was past by Sunday and the dogs were in fine form on a brisk and breezy day, with the sun finally breaking through in late afternoon. What a great way to end the day!

The BIG news is that changes are coming to *Blueprints*. Beginning with the Spring 2016 issue, we will begin the transition to color. It will be gradual of course, but it's the hope that our members will support this effort by taking a full-color ad to showcase that special Kerry blue terrier they live with. What better way to publicize that potential sire or perhaps that planned breeding?

Members should also mark their calendars for the publication of the newest edition of the **USKBTC Handbook** in 2016. There have been lots of changes in the ten years since the handbook was last published, including an "explosion" of performance events of all kinds and new conformation classes at dog shows. Look for further news in the Spring 2016 issue of *Blueprints* as the release date approaches!

Once again, I want to urge everyone to consider volunteering with your local chapter clubs in some capacity. It takes the efforts of MANY people to put on specialty shows, and sponsor educational and social events. Without **your** participation and support, events of all kinds don't happen and clubs fade away. Don't let that happen to your club! Help make our chapter clubs strong and active by volunteering for your chapter club, reaching out to welcome newcomers, and spreading the word about this fabulously versatile breed!

Last but not least ~ pull out the enclosed **dues insert**, write your check for membership dues and **RENEW TODAY!**

Until next time. . .

DEAR MR. KEARNEY,

PLEASE BE SO KIND AS TO EXTEND MY VERY SINCEREST THANKS TO THE OFFICERS & MEMBERS OF THE USKBTC FOR THE HONOR OF JUDGING THEIR RECENT NATIONAL SPECIALTY SHOW. KERRIES, BEING MY VERY FIRST BREED, HOLD A SPECIAL PLACE IN MY HEART AND THE WONDERFUL ENTRY AND GREAT QUALITY PLEASED ME GREATLY.

WHEN I GOT TO SEE MY CATALOGUE AT HOME AFTER THE SHOW I REMINISCED AT MANY OF THE GREAT BREED WINNERS THAT I HAD JUDGED OR SEEN ALL THE WAY BACK TO CH. ERINBLU TIARNA AS I WAS THERE WITH SETH CAMPBELL WHEN HE WON THE BREED ALL THOSE YEARS AGO.

MY WISH FOR YOU, YOUR CLUB AND THE BREED IS THAT GOD WILL CONTINUE TO BLESS YOU ALWAYS AND IN ALL WAYS.

SINCERELY,

Ken Z. Farnall

2015 Versatility Award Recipients

The USKBTC's Versatility Award program was started in 2005 to recognize members' Kerry Blue Terriers who have exemplified the breed's reputation as "a canine jack-of-all-trades and a master at most" by earning titles in two or more eligible areas. There are currently seven achievement levels (Bronze through Blue Diamond) that are awarded for attaining titles in two or more of eight different areas: conformation, obedience, agility, rally, tracking, herding, barn hunt (formerly earth dog) and miscellaneous (approved titles from events that do not fit into any of the categories). 4 Kerries were presented with certificates and pins at this year's annual membership meeting and dinner, including one awarded Emerald-tier status (previously earned by only one other Kerry to date), and another awarded Platinum-tier (previously earned by just 4 other Kerries).

For more information about the USKBTC Versatility Awards program, check out the VA application in *Blueprints* or contact Lisa Frankland, the Versatility Awards program chairman.

This year's recipients are:

BRONZE TIER (titles in two eligible disciplines)

GCH Lighthouse Because of You CA; owned by Stephanie Clark; bred by Stephanie Clark and Karla Niggel (for titles in conformation and miscellaneous/coursing ability)

PLATINUM TIER (titles in five eligible disciplines)

GCH KJ's Knight In Shining Armor RN HT RATO CGC NW1 HCT-s, owned by Jennifer Burkizer; bred by Karla Niggel (for titles in conformation, rally, herding, barn hunt, and miscellaneous/canine nosework)

GCH Topgun Great Balls Of Fire RE HXAsd HIAAsd HSAcsd NAJ CA RATO, owned by Randy & Tracy Purcell and Barbara Price; bred by Barbara & Roger Price (for titles in conformation, rally, herding, agility, miscellaneous/coursing ability, and barn hunt)

AKC Outstanding Sportsmanship Award

In the American Kennel Club's ongoing efforts to recognize and celebrate its volunteer club members, The AKC Outstanding Sportsmanship Award program was established in 2006 to provide each member club with an AKC Medallion to award to one of its own on a yearly basis. This award honors those individuals who deserve special recognition that have made a difference in the sport of pure-bred dogs, embodied the AKC Code of Sportsmanship, and have been an active and valued member of an AKC member club. Medallions are awarded solely at the club's discretion.

This year, the USKBTC honored two long-time members who have represented both the USKBTC and Kerry blue terriers with the true spirit of sportsmanship! For those who missed the Annual Dinner in October, I am pleased to announce that Barbara Beuter received the Conformation Sportsmanship Award and Patti Campbell received the Performance Sportsmanship Award.

Barb Beuter commented at the dinner:

First of all, I feel very honored to receive this first AKC Outstanding Sportsmanship Award in Conformation. I would like to thank the U.S. Kerry Blue Terrier Board and the Club.

I would like to say a few things about sportsmanship. The best thing we can do as club members is to be kind to one another. We need to help new exhibitors and each other when we can. We are all here because of one thing: the love of the Kerry Blue Terrier. All exhibitors or owners want to win here at our National Specialty Show, which we know is not possible. But just being here and showing your dogs makes you a winner. Win or lose, this is the showcase for your dogs, so just do your best. It makes no difference whether you are showing in conformation, competing in agility or any other performance event. Don't make winning "all consuming" because if you do then you may be missing the opportunity to make many great friends. Remember ~ It's always easy to find faults in people or dogs, but the trick is to also find the good.

Best of luck to all exhibitors this weekend. And thank you again!

Patti Campbell stated:

*I am so honored that the club chose to recognize me and Topper for this very special award. Topper has been a great spokesdog for our athletic, smart, talented breed. When we started in the mid '90's there were only a few of us doing agility and obedience. Now people can get involved in so **many** things - agility, obedience, rally, nosework, barn hunt, herding, triebball, freestyle, and more! So 20 years after I started we are finally seeing more Kerries participating in performance events. All I've tried to do through social media is to show how much fun you can have, be encouraging and spread the word so people will get out there and try - whatever appeals to you and your dog.*

I'd like to share a tidbit with you that I thought was interesting. I'm not a very goal oriented person in my dog training, but early in 2014 I attended a half day workshop on goal setting for agility handlers and we had to come up with some specific goals - here are two goals I wrote down that day:

1) What is your performance goal? "To go to 1 or 2 more AKC Invitational events (Eukanuba) and end up in the top 20 standings 20" class (I marked this "stretch goal")."

*Last year was our 3rd year attending this prestigious event. Topper not only made it in the top 20 dogs of his height class, but ended up in the top 10 and in the Finals. This was the pinnacle achievement of the 20 years I've been doing agility with my dogs. Kerries **CAN** do it!*

2) How do you want people to remember you? "As an inspiration to other Kerry owners to get out and try different performance activities with their dogs."

I haven't tried everything myself yet, there is so much to choose from now, whatever catches your fancy. It's so rewarding to develop that bond and see that joy in your dog's eyes as you do fun things together.

I want to thank the Board and everyone here again for this very special recognition of our Performance Kerries, and hope that we have inspired a few people to try.

Congratulations again to both of these U.S. Kerry Blue Terrier Club members for their many contributions to the breed and the sport!

Cold Weather Canine Care Tips

This article is posted with the permission of the American Kennel Club.

© 2006 The American Kennel Club, Inc.

A dog's need for food, shelter and loving care increases during the cold winter months. Keep your dog safe and warm by following these guidelines.

- ◆ Dogs can get frostbite or hypothermia when temperatures drop. Don't leave your dog outside in the cold for long periods of time. Provide a covered shelter, such as a doghouse or kennel, for the times the dog is out of doors.
- ◆ When your dog is inside, keep him warm, dry and away from drafts. Tiles and uncarpeted floors may become very cold, so put down blankets or pads for him to lie on.
- ◆ Keep your dog a safe distance from supplemental heat sources such as portable heaters and fireplaces, which can cause severe burns. Place screens around fireplaces.
- ◆ Don't leave your dog alone in a car on cold days.
- ◆ Feed your dog additional calories, particularly if it spends a lot of time outdoors or if it is a working dog. The extra calories are necessary because it takes more energy in the winter to regulate body temperature.
- ◆ Provide plenty of fresh water at all times. Dogs are just as likely to get dehydrated in winter as in summer. Snow is not a good substitute for water.
- ◆ Groom your dog regularly. Your dog needs a well-groomed coat to keep properly insulated. If you have a short-haired dog, consider a sweater or coat. If your dog is long-haired, clip the hair around its paws to ease snow removal.
- ◆ Dry your dog with a towel or blow-dryer if it gets wet from rain or snow. Clean snow and ice from its paws to prevent cuts and cracked pads. A little petroleum jelly may help soften and soothe paw pads.
- ◆ Be extra careful when walking or playing with your dog near frozen lakes, rivers or ponds. Your dog could slip or jump in and be seriously injured.
- ◆ Rock salt, used to melt ice on sidewalks, can irritate paw pads. Rinse and dry your dog's feet after a walk.
- ◆ Watch out for spilled antifreeze on driveways. Antifreeze smells and tastes good to dogs, but it can be lethal.
- ◆ Dogs, like humans, seem to be more susceptible to illness in the winter. Take your dog to the veterinarian if you notice any signs of illness.

Holiday Celebrations and Your Kerry

Holiday celebrations all around the year often center on food shared with family and friends, whether it's a cook-out in the summer or a family feast at Thanksgiving or Christmas. And since our beloved pets are considered part of our family, there is great temptation to share the foods we eat with them. But use caution, since many of these rich foods can trigger serious gastrointestinal problems for a dog or cat. Foods high in fats, sugars and spices definitely aren't the usual fare for our companions, and can cause problems such as *pancreatitis*, *gastritis* or *enteritis*, requiring a trip to the vet.

The list of foods which could be harmful may be found on the USKBTC website: <http://www.uskbtc.com/about-kerries/living-with-kerries/caution-in-the-kitchen/>, but I will list a few of them here: onions, garlic, chocolate, macadamia nuts, grapes and raisins, raw salmon, avocados, and any foods that contain excessive salt or are high in fat. If you really want to share your food, vets recommend offering very small portions of lean turkey or ham.

Other hazards not to be overlooked are bones from cooked poultry, strings used to tie roasts and the holiday bird, any food that has been sitting out for more than 40 minutes at room temperature, and the garbage can! The wonderful aromas from the garbage can may be more than your Kerry companion can resist, so keep that in mind as you're cleaning up after your celebrations. Make sure trash containers are "dog proof" and secure.

One final item I will include here is the sweetener **xyli-tol**, which is often found in sugarless gum and candies. This toxin can cause liver damage, so keep that in mind when visitors arrive and stash visitor's coats and purses in a place inaccessible to pets. Better to be safe than sorry. With a little planning, one and all can enjoy a wonderful holiday celebration at any time of year and include the family pets.

Questions about possible toxicities should be directed to the National Animal Poison Control Center at the University of Illinois (1-800-548-2423) or to the ASPCA Animal Poison Control Center (1-888-426-4435).

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!
