Well Spring is here for most of the country and I'm sure a good number of us are happy about its arrival. It has been a very busy winter for the USKBTC board and we are very excited about several projects that have been developed over the past few months.

The first is a new program that recognizes those Kerry Blue Terriers among us that bring good to people. The award program is called "Kerry It Forward" and is setup to honor Service Kerries, Therapy Kerries, Exemplary Companion Kerries, Search and Rescue Kerries, Law Enforcement Kerries and any other Kerries that provide service to other people. Jann Lane and June Hult did all the research and development on this new program and you will find more detailed information elsewhere in this issue of Blueprints. Thanks to all who worked very hard on this project.

Another project that the board has been working on is a Policy and Procedures Manual. For years as a club we have had committees that worked with rules and guidelines, that for the most part have never been written down in a standardized system. Now thanks to the US Board Members we have been "revisiting" many of our standing committees. After these committee's rules and guidelines have been reviewed they are sent to Bob Nazak who has agreed to put them into a standardized form to go into a Policy and Procedures book. This should make the daily operation of the club much easier for everyone.

One of the standing committees the board has been reviewing is the Futurity. After much discussion and research the Governors are considering some significant changes to the Futurity. Some of these changes will hopefully be incorporated this year, so watch the USKBTC web site for details and updates. Any changes will be announced by May 1, 2010, so again check the web site. If you have any Futurity questions please give me a call and I will do all I can to help you.

For years the USKBTC has been trying to improve the ring conditions at Hatboro. Last year the Grange did some improvements to the area we usually exhibit in and these upgrades made conditions much better. The lighting in that area has always been an issue and after several failed attempts to improve this problem, Larry Brown helped the USKBTC negotiate with the Grange an improvement to the lighting system that the board felt the club could afford. The cost of the improvements to the lighting was shared by the Grange, the Philadelphia Kerry Blue Terrier Club and the USKBTC. A special thank you to Larry Brown and the Philadelphia Club for helping get these improvements completed.

Hope you have had a great year so far and that we will see you at some of the shows. There are some great specialties in the upcoming months. Look for all the details in this issue of Blueprints and on the USKBTC website. Have a great spring and summer!

Barb Beuter

## A Letter from the Editor. . .

After a winter that never seemed to end for some parts of the country, spring has finally arrived and show season is gearing up. Those first specialties of the year will be here before you know it, and the snow will be just a memory. We wish everyone the best of luck as the madness that is dog showing begins anew! And please remember to share your specialty win photos with all of us on our Gallery of Winners page. It's easier than you think!

Many of you may have noticed that this issue is later and smaller than usual. When we had to postpone the deadline, some show information had to go to the website and other items moved to later issues. But do take time to check out those show ads that are in these pages along with the numerous raffle tickets. You will also find news of a brand new award for our furry companions that focuses on the many and varied things they do for us, a report about the Agility Invitational, and the usual show results.

As always, don't hesitate to email if you have articles you want to submit, or suggestions for articles you would like to see. Perhaps you've read a really good training book, or something new about canine health. Share it with all of us by writing a book review. Until next time. . .

## 2009 AKC Agility Invitational

The AKC Agility Invitational held in Long Beach December 12 & 13 in conjunction with the Eukanuba National Championship Show proved to be the best showing for the Kerries in the events four year history. This was our second year to have a full entry of 5 dogs and the first time a Kerry has gone to the finals!

The caliber of our entry continues to rise. Dogs and handlers are reaping the rewards of better training methods and experience. The difference between the first Invitational held in 2006 and this year is night and day. This event is truly becoming what it was intended to be, a showcase for all the breeds involved in agility. There were at least three members of the World Team running their dogs.

The five dogs & handlers qualifying in the Top 5 for this event listed from 1 to 5 are:

**CH MACH 2 Kallehan's Blue Moon Rising** RN MXF

"Riley" Maggie Hall

**MACH Lynmar My Bleu Heaven** OF "Bailey Tracey Fulmer

**Blue Bay's Hurricane Warning** CD MX MXJ "Bates" Brenda Vogel

**True Type's Taylor Made** MX MXJ XF "Birdie Maggie Hall

**MACH 3 Keriland's Talk About Town** NF "Gabby" Janet Beeby

Bates & Gabby were unable to attend. Coming in on the second round of invitations in 6<sup>th</sup> and 7<sup>th</sup> place:

**Dalton's Riley** RN MX MXJ XF "Riley" Betty Richardson

**CH Tantara's High Tide** CD MX MXJ OF "Tide" Eve Fishell

The real test of a team is the year's work spent making it to the top.

With the open entry for the Eukanuba National Championship, agility competition was moved to tents in the parking lot. The running surface for the first time was sod instead of the rubber matting. It was a surface which seemed to work well for most of the teams. Rain proved to be quite a challenge both inside the tents and out. Fortunately by Saturday afternoon 2 X 4's and plywood were being used to raise our crates above the water. Sunday's sunshine was a welcome relief!

The courses for the first two Rounds had their challenges but they flowed nicely for the dogs. Day 2 brought more difficult challenges with the Round 3 Jumpers course and the most difficult of the four the Hybrid Round 4 course. Called a Hybrid because it uses only two of the contact obstacles. For this course an A-frame and a Teeter Totter were used. It contained a little "Bermuda Triangle" at the back of the course which eliminated a large number of the remaining teams.

Our entry was divided between the 16" and 20" classes with Bailey and Betty Richardson's Riley in 20" and Tide, Birdie and Maggie Hall's Riley in 16".

Our results after four rounds of competition:

Maggie Hall and Birdie with four clean rounds to make the finals in 11<sup>th</sup> place and win the Top Scoring Kerry Medallion. This team ran another clean round in the finals to place 7<sup>th</sup> out of 91 dogs in 16".

Tracey Fulmer and Bailey had 2 clean rounds for a total score of 390, placing 43 out of 87 in 20"

Betty Richardson and Riley had 3 clean rounds for a score of 385, placing 45 out of 87 in 20"

Maggie Hall and Riley had 1 clean round for a score of 385, placing 51 out of 91 in 16"

Eve Fishell and Tide had 3 clean rounds for a score of 363, placing 61 out of 91 in 16"

A great showing for all these teams and especially to Birdie, the first Kerry to make the Finals at this event. Congratulations to all the teams on a job well done!

Maggie Hall and "Birdie"

**All Kerries Deserve to Be Heard!**  
**Give Your Kerry a Voice!**  
**Give Your Kerry a Vote through AKC Registration Today!**

Jann Steel Lane, Ph.D.  
drlane@mackenziesteel.com

Do you vote for the candidates of your choice, come election time? If YES, you are also registered to vote and you are providing your human voice, through your vote.

Your Kerry deserves as much.

However, our Kerries are not as fortunate as we are. They cannot register themselves. They depend upon us. Whether they are in the show ring, the agility ring or our living rooms, they deserve to have a voice on their future.

**There is Strength in Numbers**

Your Kerry Blue Terriers depend upon you to speak for them through registration. There is strength in numbers. The AKC needs your support and membership to speak for our dogs. The American Kennel Club is the is the largest registry of dogs in the United States and has the largest influence in promoting positive action and activities for canines and their humans as well as combating the extremists in our society today who are actively working to limit our canine ownership, activities and programs.

**All Dogs Can Register and Participate**

If your Kerry Blue Terrier has not been provided his or her "voice" through registration (for whatever reason), you can register your Kerry, regardless of its age, through the AKC PAL program, without papers. ([www.akc.org](http://www.akc.org)).

If you have a dog that may have a bit of unknown ancestry, or some non-Kerry ancestry, he or she can still be registered through the AKC, and participate in AKC activities and programs. Your dog will be able to participate through the new program called the "Canine Partners Program" specifically designed for mixed breed dogs. Through AKC registration, all dogs will receive a voice.

By registering your dogs with the AKC, you are also supporting the **AKC Canine Health Foundation**, the canine research foundation responsible for mapping the canine genome; you and your dogs are also supporting search and rescue teams trained to assist in natural and disasters; you will also be supporting educational programs for children.

Just as we, as citizens, are provided a voice through our vote/registration--your dog is provided a voice through AKC registration. Give your dog a vote today.

**Announcing:**  
**The USKBTC-Charitable Funds**  
***"Kerry It Forward Award"***  
**In Recognition of Past and Present Kerry Blue Terriers'**  
**Canine-Humanitarian Contribution to Society and to the Individual**  
By Jann Lane, Charitable Funds

To know one, is to love one. To love one, is to know that the Kerry Blue Terrier is a special breed that contributes to our lives in many ways. Those Kerries who have chosen to "Kerry It Forward" and give back to society, will be recognized by the USKBTC Charitable Funds through the "Kerry It Forward" Award beginning fall of 2010.

The USKBTC currently honors and recognizes the Kerry Blue Terriers' structure or 'form' through conformation competition at our national specialty and chapter club specialties each year.

We also recognize the Kerry's work or 'function' through performance events such as herding, agility, tracking, obedience, and rally, through events held nationally and regionally. Kerries have demonstrated their proficiency in all of these performance arenas.

Beginning in 2010, the USKBTC Charitable Funds will recognize the Kerry Blue Terrier's third dimension, its heart, and our breed's contributions through the establishment of the "Kerry It Forward" Awards.

Kerries involved in public service are most often the unsung heroes of our Kerry community. You may be familiar with their service in nursing homes, assisted living centers, and hospitals. However, Kerries are also teachers. Kerries go to schools, and can be found helping children learn to read, through canine-assisted reading programs, building self-confidence. As we honor the recipients of this award, you will also read about Kerries who have helped children safely cross the street on their way to school. Some Kerries are involved in other canine education programs, such as the Bite Prevention programs. Other Kerries have chosen a special mission and have intervened to save human lives.

As we honor these special Kerries in the years ahead, you will read about them, their journeys and how each has contributed to Society and to the Individual. We look forward to honoring them as much as you will enjoy reading about them. Thank you, to all Therapy and Service Kerries, past and present, for your service to our canine community.

If you are aware of a Kerry who meets the criteria listed below, and you are a USKBTC member, please consider nominating him or her. These special Kerries often do not seek recognition and owners may need your encouragement. This is our way of thanking them for their contributions. If you have questions, please feel free to contact me at the email listed ([drlane@mackenziesteel.com](mailto:drlane@mackenziesteel.com)) or any Charitable Funds board member for more information.

**Minutes of Annual Board Meeting  
United States Kerry Blue Terrier Club  
(Member of the American Kennel Club)**

**Opening:**

The annual meeting of the Board of Governors of the USKBTC was called to order at 5:30 pm on Wednesday, September 30, 2009 in the Comfort Inn, 2779 Route 1 North, Trevoise, PA by Vice-President, Reita Nicholson.

Reita Nicholson, Carl Ashby III, Bill Kearney, Scott Kellogg, Charlene Dwyer, Carol Wert, Gigi Lorenz-Reiling, Bob Nazak, John Garahan, Bill Kearney

**Absent:**

Susan Dunivant, Tia Damron, Tom Rogers, Barb Beuter, Charlie Redmon, Lynn Duckett, Lisa Frankland, Jann Lane

**A. First Order of Business**

• **Seating of New Board Members**

The four new board members: John Garahan and Carol Wert, Lisa Frankland, Bob Nazak were seated. They each made a short statement and were welcomed by the existing members in attendance.

• **Election of New Officers – President, Vice President, Secretary-Corresponding, Secretary-Recording, and Treasurer**

The new officers were elected: Barb Beuter-President, John Garahan –Vice President, Charlie Redmon – Corresponding Secretary, Charlene Dwyer – Recording Secretary and Carl Ashby – Treasurer and Delegate. After the election of officers, Reita Nicholson turned the meeting over to new vice president John Garahan.

**B. Approval of Minutes**

Secretary's minutes for October 3, 2008: previously submitted to the Board and accepted.

**C. Corresponding Secretary's Report**

The Corresponding Secretary submitted a written report to the board.

**D. Treasurer's Report**

Written report submitted to the Board. Stephanie Clark will help Carl handle collections of the dues and trophy money, etc. She will act in a quasi-co-treasurer position. Carl also presented an abbreviated balance sheet showing accounts balancing. A deposit spreadsheet will be added to help track monies better. Carl also highlighted some of the expenditures of the club this year. Changing to Thoroughbred Press was an economical decision and has worked very well. Some of the expenses will not be re-occurring. We are cash neutral. DNO insurance is due and Carl recommended it be continued to protect individual board members. Bill Kearney moved to accept the Treasurer's report,

Reita Nicholson seconded. Motion carried unanimously.

**E. Committee Reports**

**Membership Committee.** Twenty six members were brought to the board for membership in 2008. Twenty-three were approved. Four affiliate members were approved. Two members were rejected. Affiliate members will be contacted by Bob Nazak in 12 months and asked if they would want to change their status to full membership. Their names will be published on the list and in Blueprints. Bob took over the membership chair in 2003 and since then 219 people have applied and the Board has approved 97% of them. We are in a downward trend in new applications.

**Blueprints.** OFA results won't be published in Blueprints but will be in the next issue. The membership needs to make sure that they check the proper boxes for inclusion of their OFA results for publication.

**Catalog Advertising for National Specialty.** Next year there will be no ad submitted for publication without payment. There were a couple of people who didn't pay this year and were difficult to collect from. Ultimately everyone paid.

**Show Committee.** Discussion about upcoming judges among Board members present. Jane Forsyth will be the National Specialty judge in 2010. Travelling National will be in St. Louis on Sept. 18 & 19. Judge will be Peter Green. Two of the Futurity judging candidates for 2010 will be Billie Kellogg and Ruth Ann Reilly. Since both are from the South, someone will have to step down. Travelling Sweeps candidate is Gene Possidento. Judge ballot will be done in 2010 to develop a pool for future shows.

A form will be included with the judge selection ballot so people can recommend Futurity and sweeps judges.

**Judges Education Committee.** The Judges Education Committee submitted a written report to the Board.

**Health and Genetics.** We are now participating in CHIC. Scott talked to Liz Hanson about PNA. There is some new funding for that. 260 Kerries have been tested for DM and 68% have tested carrier or at risk. Scott believes the test is valid.

**F. Old Business**

Medallions for Travelling Trophies. Carl Ashby also mentioned using medallions would lessen the burden of Chapter Clubs providing trophies. Scott will look into prices and sources.

**G. New Business**

Scott asked if a Stud Registry could be tied to the Pedigree Database or possibly a separate section added. This would be available for breeders to list their stud dogs for a fee. Bill Kearney will explore the possibilities.

### KBTC-StL 2009 Annual Report

The KBTC-StL celebrated its 33<sup>th</sup> Anniversary and held its 28th annual Specialty on Saturday, September 12, 2009 in conjunction with the Missouri Rhineland Kennel Club all breed show in Sullivan, Missouri. Lucy Noe was sweepstakes judge, and Mr Dennis Kniola judged the regular classes. We welcomed old friends and new who supported our show with majors for all four days of the show. Our hospitality tent offered refreshments to visitors, Kerry owners, and handlers, and was the location for a group dinner on Friday night, and a catered BBQ after Saturday's show. Many beautiful and useful donated gifts ensured our very successful raffle.

We try to educate/mentor prospective and new owners, groomers and the public, through club sponsored events. Gigi Reiling provides clinics for new Kerry owners to become familiar with grooming requirements to be comfortable with the process. Our club newsletter is sent four times a year to members about upcoming AKC events of interest in our area, USKBTC updates, health tips, new products available, training and grooming facilities in the greater St. Louis area, and provides a members' roster to promote communication. We want to introduce Kerry owners to the new opportunities and events (agility, herding, etc.) for participation with their dogs.

We provide background information to members' questions about the USKBTC rescue policy and the need for changes in the constitution. Members of the club assisted in the care and transportation of several rescued Kerries back to their breeders, or to new homes.

**2010 Officers:** President: Gigi Reiling  
Vice President: Claire Martin  
Treasurer: George Lorentz  
Secretary: Kathleen Gerber

The 2010 St. Louis Specialty will be held on Saturday, September 11th in conjunction with the Missouri Rhineland Kennel Club all breed show. Sunday September 12<sup>th</sup> will be the US Traveling Specialty. More information on the US Traveling weekend activities will be in Spring 2010 Blueprints and in a general mailing to USKBTC members as the date draws near.

Respectfully submitted,

### KBTC-Pittsburgh 2009 Annual Report

Our 2009 Annual Specialty was held on May 23rd 2009, in Honor of Ellie Zielinski, with Gerry Yeager judging a lively bunch of young Kerries entered in the Sweepstakes, and Vincent T. Grosso, judging 47 entries in the regular classes. Our club supported the entries on the remaining four days of the Memorial Weekend Classic.

The Club has implemented a New Exhibitor Mentoring Program for any new Kerry exhibitor. We as a Club want to do all in its power to protect and advance the interest of the Kerry Blue Terrier by encouraging sportsman like competition at dog shows. Officers and members look forward to Back- to- Back Specialties scheduled for May 29th and May 30th, 2010.

We welcome all to our Specialties next year!

Respectfully submitted,

## *Minutes of Board Meeting (Continued from page 16)*

Bill Kearny brought up some of the problems of using an open source program for our gallery.

Carol Wert advised the board that Dick Schaefer gifted the club his extensive ring side video collection. Bill Kearny is looking into being able to add video to the club website.

Charlene Dwyer, speaking for Lisa Frankland, brought up strengthening the application by having the sponsors write something about the prospective member. A heated discussion followed, but the majority felt if a member in good standing sponsors someone that is good enough. An additional comments section could be added. Bob Nazak will look at it.

Bob Nazak mentioned that upon going to the trophy storage area he notice the engravings on the trophies are not up to date. Bob will have the trophies engraved with last year's and this year's winners.

Reita Nicholson suggested introductions of everyone at the dinner. John Garahan will chair the general membership meeting.

Carl Ashby mentioned that the board needs to appoint two people to fill the vacancies on the Charitable Funds Committee. Don Wilde and Tom Rogers are no longer on the Committee. Scott made the motion to appoint Bob Nazak and Stephanie Clark to fill these vacancies. No resolution on this item.

Chicago or Dallas will be chosen for the semi-annual board meeting. To be determined later.

Scott moved the meeting adjourn. Carl seconded. Meeting adjourned at 8:00 pm.

## Support the 2010 Montgomery Trophy Fund Drive!

Help support the trophy donation fund for our annual specialty weekend! These donations pay for the trophies and rosettes offered at the USKBTC sweepstakes, Friday Hatboro show, Saturday Devon show, and Sunday Montgomery national specialty (over 80 trophies and 100 rosettes). There are three easy ways you can donate:

**E-MAIL** your name, address, phone number and pledge amount to [scotkell@aol.com](mailto:scotkell@aol.com). Or **SEND** your check, made payable to USKBTC, to: Scott Kellogg, 3636 S. Mountain Road, Knoxville, MD 21758. Or you can make a donation **ONLINE** by going to [www.uskbtc.com](http://www.uskbtc.com), clicking on the "donations" tab at the top; clicking on "make a donation online", then clicking on "Montgomery trophies." All donors names will be listed in the Montgomery catalog and also in Blueprints.

Again this year, we have a special category of "**Dedication Contributions.**" A \$100 donation will sponsor a class first prize at the Montgomery specialty. You may dedicate your donation to a favorite dog, admired show dog, past or present mentor, special Kerry person, etc. There are twelve classes to cover at the Montgomery show. Dedications will be listed in the Montgomery catalog and in Blueprints.

**The deadline for trophy donations is July 31st.**

## USKBTC 2009 Financial Report

Just as 2009 was a difficult year for most of us that was also true of the United States Kerry Blue Terrier Club, Inc. We ended the year with an operating loss. This loss was primarily due to a significant reduction in donations to the trophy fund for Montgomery County and action is being taken to assure trophy expense is more in line with donations. In addition, through the generosity of our members we raised \$2173.75 for Charitable Funds which will be transferred to Charitable Funds this fiscal year which will reduce our cash balances. The 2009 report includes the Futurity payout for 2008 of approximately \$1208.95 as well as the settlement for the Kimberton Terrier Trials in 2008 of \$750.00. The Governors Expense of \$163.50 was the cost of the meeting room at the annual Board meeting the Montgomery County weekend. In 2009 the Futurity did not achieve a positive cash flow and the Governors will be announcing soon how the payout will be handled. The balance in our cash accounts at the end of 2009 was \$33,805.07 versus \$36,173.40. This is a reasonable balance for a Parent Club of our size.

Respectfully submitted,  
Carl Ashby  
Treasurer

## OFA UPDATE!

As some of you have noticed, recent issues of Blue-Prints have contained few or no OFA results. This is not because we haven't been testing our dogs. Here is the reason why:

OFA maintains two health databases, a closed one (C), where **only normal** results are available to the public, and an open one (O), where **both normal and abnormal results** are published. Both the C and O lists are sent to the USKBTC. Through a misunderstanding, it was believed that only the results in the open database could be published in BP. This has now been clarified; clearances from both the C and O databases for 2009 that have not been published as well as all new lists we receive will appear in the next and future issues of BluePrints. The next issue will also include some OFA application forms showing which areas to initial or sign, depending on whether you want your dog's test results included in the open or closed databases.

## USKBTC Chapter Club Challenge!

Take part in the fun! Each chapter club is challenged to make a basket filled with items from their area to be auctioned off at the Annual Dinner held on Friday, October 2, 2009. The more unique items that are in the basket, the more fun to auction off. All money raised goes to the USKBTC Charitable Funds. If no one from your club is attending the dinner you may send items to Jaimie Ashby, 102 Manchester Place, Greensboro, NC 27410 and she will make a basket for you. Items must be received by September 25th.

Questions? Call Jaimie Ashby at 336/292-9060 or email Jaimie@att.net.

## *A Word from Charitable Funds...*

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) **Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) **Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) **Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) **General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

## **CHIC UPDATE**

CHIC participation is up to 130 breeds, and over 57,000 dogs have received their CHIC numbers, over 2,000 already in 2010!

### **Champions of Health**

Recently, I've had several inquiries from clubs participating in CHIC about the Annual CHIC/Parent Club Champion of Health Award. Since so many breeds have joined CHIC since we announced the program back in 2006, it seemed like the timing was appropriate make sure all clubs participating in CHIC were aware of this program. The annual CHIC/Parent Club Champion of Health Award is intended to recognize a dog that has had significant accomplishments in the ring, in the field, in performance events, as a producer, or as a working dog, AND has the full complement of health testing appropriate for its breed. The award consists of an engraved silver medalion, and a \$100 donation to the AKC Canine Health Foundation breed specific donor advised fund in the name of the honored dog. Ideally, the award would be announced and given at the club's annual awards banquet.

To participate, clubs should nominate from one to three dogs for the annual award, and present their nominations to the OFA for final selection. The club may determine its own method for selecting the nominations, whether by committee, individual submissions, or club vote. Each nomination should include a brief write-up of the dog's accomplishments as well as a record of its health certifications. Regardless of the club's selection process, it should be remembered that this is not a popularity contest and that health contributions remain the number one criteria in the selection process. The nominations must be presented to the OFA a minimum of six weeks prior to the specialty event, in order to allow time for engraving, etc. The OFA reserves the right to withhold the award based on a lack of suitable nominees.

### **Online Health Surveys**

If your club is in need of an updated health survey, the OFA might be your ideal resource to help in the process. The OFA is currently hosting over 20 online breed specific surveys. The surveys are an online tool, provide real time results, are tailored to individual club needs and requirements, and best of all, are provided as a service to clubs at no charge. If interested, please visit the OFA website at [www.offa.org](http://www.offa.org). The surveys are accessible from the homepage. Feel free to take any of the surveys to get a feel for what can be provided. As long as you don't hit the final submit button, you won't skew any results.

### **CHIC DNA Repository**

The CHIC DNA Repository recently reached a significant milestone when we cataloged our 10,000<sup>th</sup> sample. The CHIC DNA Repository, jointly sponsored by the

OFA and the AKC Canine Health Foundation, collects and stores canine DNA samples along with corresponding pedigree and phenotypic health information to facilitate future canine health research initiatives. Leading institutions such as the Broad Institute at MIT/Harvard, UC-Davis, the University of Missouri, Clemson University, and others have already benefited from samples received from the CHIC DNA bank. The existing large sample base is in large part the result of DNA collection clinics sponsored by individual breed parent clubs in conjunction with their national specialties. Please contact us as [chic@offa.org](mailto:chic@offa.org) if your club is interested in holding a collection clinic.

### **Parent Club Conference**

Once again this fall, the AKC will be hosting a Parent Club Conference. Hopefully, each of your clubs has signed up to participate and send a representative. One of the programs will be a presentation on all the various services, programs, and ideas available to parent clubs to help promote health. These include basic CHIC participation, the online survey tool, the Champion of Health Award, DNA collection clinics, health clinics, and several unique parent club ideas. As an example, the Dalmatian Club of America Foundation provides an additional financial award if the sire and dam of the Futurity winner have received CHIC numbers. If your club has implemented anything unique that you would like to share with the conference attendees, please let me know, and we'll get the ideas included in the materials that will accompany the presentation.

As always, if you have comments or feedback on the CHIC program, please feel free to contact me at [edziuk@offa.org](mailto:edziuk@offa.org).

**THE UNITED STATES KERRY BLUE TERRIER CLUB  
CODE OF ETHICS**

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

**I. RESPONSIBILITIES AS A MEMBER**

- Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.

- Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

## **II. RESPONSIBILITIES AS A BREEDER**

A Breeder shall:

- Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.
- Be prepared to assume lifetime responsibility for any litter produced.

## **III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER**

- Act professionally at all times in caring for and exhibiting any dog in your charge.
- Do not engage in any questionable contact with judges prior to exhibiting under them.
- Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

## **IV. ENFORCEMENT**

- The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
