A few words from John

What a great start to 2014! No? You disagree? Well it is all about perspective. We can all concentrate on the frigid weather and the polar vortex (funny how we have a description for weather events that we didn't have before). Soon we will have names for each polar vortex that dips into the U.S. from Canada. I have to say I am sorry to all of our Canada members for implying that I blame it on Canada. I do not. We can concentrate on the snow amounts that have dropped from the Rockies to the tip of Maine. Here in Jersey we are

close to our record yearly snow fall of 59 inches. Here is where perspective comes in. The people in and around Buffalo will laugh at that number. As of this writing, they have had 275 inches of snow fall. California I am sure would love to have the water from that snow when it thaws. That will help with the drought.

The reason I say it has been a great start to 2014 is because of everything the club and the Board have accomplished since the beginning of the year. By now all of you have had the opportunity to visit our new website. It was rolled out in January by Carol and Bill Kearney after an extensive development and quality assurance period. What a great new look and feel. We are trying to attract new people who do not know the Kerry and whose interest will be captured by the website. We have had many members send in their pictures which will be used on the website's scrolling feature. Carol and Bill tested the site on many versions of software and have tested the site on I-Phone's and Androids. I am very happy to say that there have been very few issues with the site. All of us should congratulate Carol and Bill when we get the chance on a job well done.

The Board has not been idle as well. The club has voted and agreed to hold a concurrent specialty on the Friday date at Hatboro. This will give all exhibitors the opportunity for another major win (we are hoping for a 4 or 5 point win) without having to move to another location. We are also hoping the classes will start early (1:00 or 1:30) so that people will still be able to get to the annual dinner early enough. We believe this will work great for everyone. I will make one note on the dinner. My wife, Kathy, will be responsible for the reservations again this year. Last year there was a little mix up early in the year and the Board does not want to change something that worked so Kathy has agreed to carry on. There were no gifts or arm twisting required.

The Board has also voted on moving our National Sweeps from Hatboro back to Montgomery KC on Sunday. Many of you will remember that this is where it started and the Board felt that the National Sweeps should be held with the National Specialty. Besides the move of the sweeps to Montgomery KC site, the National Futurity/Maturity is moving to the same site on the Saturday before the National Specialty. New site has also brought us new chairpersons. Lisa Kunze and Lucy Noe have agreed to jointly chair the Futurity/Maturity. I am sure they could use help, please pick up the phone and volunteer. We are hoping the new site encourages exhibitors to enter the Futurity/Maturity. Part of the issue with the Futurity was that after the judging at Hatboro on the Saturday, everyone had to pack up and go to Montgomery to set up for the next day. Now, we will be set up and no worry about how long the Futurity/Maturity judging is taking. This same weekend the Board voted and agreed to "host" on September 30 the Montgomery All-Terrier Agility Cluster at a new location. The event will be indoors at "In The Net" in Palmyra, PA on Monday 29 Sep 2014 through Thursday 2 Oct 2014. The club agreed to host one of the days. We have to thank Joy Ellwanger who is Trial Chair for the USKBTC as well as Patti Campbell who has volunteered. We are looking for additional volunteers to help Joy and Patti. Don't be shy. Give them a call.

Finally, the Judge's selection committee – Nick Fletcher, Priscilla Schwenk, Martha Nazak and Eva Hansen (non-Board member) have been busy getting judges for all the events. We are getting ahead of ourselves finally as we should be in selecting judges. We have National Specialty judges, Concurrent Specialty judges and Sweeps judges for the next several years. The Board will be voting on Futurity judges as well.

Now for one of the challenges we must address in 2014. Rose Marie Mais and Denise Benincase can no longer do the Legislative follow-up for the USKBTC. They did a great job over the years and their knowledge and actions will be missed. There is a great deal of Legislative information available. The AKC newsletters – Taking Command and In Session come to mind. The USKBTC usually appoints someone the Legislative liaison to the AKC. If we think this position is necessary, I would like someone to step forward and volunteer.

We have been busy and there will be more to come. We are working on possibly offering a USKBTC application that you can download. The handbook is being worked on by Melanie Feldges and her committee. Carol Kearney will be adding for sale in the USKBTC store many of the old Futurity prints. These are prints that any Kerry owner or collector would love to own. This is a year of change and excitement. I hope you all feel the buzz and join us any way you can. Volunteer or come out to an event near you. Give a membership to all new Kerry owners. Check out this year's events on the website. There is something for everyone. Here's to an exciting 2014!

A Letter from the Editor. . .

The sun is shining brightly as I write this, and the ice storm that plowed through many southeastern states last week is but a memory on this warm, spring-like day. While yours truly and the dogs all **loved** the snow a couple of weeks ago, I realize that most have had their fill of it and are "done with winter". As news reports announce that yet **MORE** homes have had power restored, I'm left with the feeling that we really haven't seen the last of the winter that brought the polar vortex and "Snowpocalypse" to much of North America. Somehow I think the dogs at my feet will be ready for whatever comes their way, no matter what!

Once again, this issue brings you show ads for several chapter club specialties, chapter club annual reports from around the country, and a specialty ad from the Canadian club. There is a short article about our new, updated web-site (**AWESOME!**), a brief article about one of our "senior" Kerry girls volunteering in a new school program, a very informative article about Feeding Raw from two of our members, and news about our 29th annual Futurity event which will take place in a new location. In addition, the usual information is also here: show results, a listing of new titleholders, Gallery of Winner's photos and Charitable Funds reports, and last minute dues reminders. If you still haven't paid your dues, please take a moment to send in your check using the handy return envelope that was included in the last issue. You can also renew your membership, pay for your web page if you have one and make trophy fund donations online, by going to our new website and using the PayPal option.

There are so many options to contemplate as spring approaches and we all begin to plan our show schedule for the coming months. Will this be the year you travel with that promising youngster to a chapter club specialty you've never attended? I do hope that wherever you roam this spring and summer, your well-groomed Kerry companion will be with you to share the adventure! Whether participating in agility, herding, barn hunt, coursing or some other event, keep in mind that each and every one of us is an ambassador for this wonderful breed.

Until next time ~

**United States
Kerry Blue Terrier Club**
(Member of the American Kennel Club)
October 2, 2013

- ◆ Meeting was called to order by John Garahan, and all were thanked for attending.
- ◆ Board Members present: John Garahan, Carl Ashby, Stephanie Clark, Diane Lee, Richard Basler, Janie MacBryde, Linda Pheasant, Gerry Yeager, Mary McGreevy, Martha Nazak, Priscilla Schwenk, Nick Fletcher, Bill Kearney. Associate Governor present: Heidi Gregor. USKBTC member present: Julee Manahan.
- ◆ Motion was made by John Garahan, seconded and passed to change the order of business. New Board members were introduced; all were approved and sworn into office. Name tags will be ordered for new Board members.

New Slate of Officers for 2014 was presented:

President: John Garahan
Vice President: Stephanie Clark
Recording Secretary:
Corresponding Secretary: Bill Kearney
Treasurer: Carl Ashby
AKC Delegate: Carl Ashby
New Board of Governors: Richard Basler, Stephanie Clark, Nick Fletcher, Linda Pheasant, Gerry Yeager

- ◆ **Health & Genetics Committee:** Former Governor, Scott Kellogg, indicated a desire to remain active with this committee. Two other members were discussed as candidates to serve on this committee: Nadine Vukovich and Natalia Samaj-Kunze, both of whom are also veterinarians.
- ◆ **Charitable Funds Committee:** Linda Pheasant shared the committee's financial report with this board. There was also discussion of how to attract new Charitable Funds board members.
- ◆ **Membership Committee:** Mary McGreevy has taken over as Membership Chairman. She announced that the current proposed new members had been approved. There was discussion of how to attract new club members.
- ◆ **Advertising:** Richard Basler reported there were fewer Montgomery catalog ads this year.
- ◆ **Rescue:** It was reported that we have had 6 rescues in 2013, with 5 adoptions to date and 1 dog is currently being fostered by Gretchen Quinn. Discussion ensued regarding liability insurance coverage for rescue volunteers. Carl agreed to look into other options regarding liability insurance for Charitable Funds.
- ◆ **Futurity 2013:** Entry numbers for the Futurity and Maturity did not improve this year. Discussion

ensued regarding whether or not Futurity should continue, and possible remedies for low entries. Options to improve Futurity/Maturity numbers are being considered and will be discussed in future meetings.

- ◆ **Treasurer's/Delegate's Report:** Carl Ashby provided the board with financial reports for the past year. Dues collection is up this year. Carl proposed selling the current Handbook inventory for \$5 per handbook plus shipping and handling. It was suggested that cookbooks be added to this sale, and the cost is to be determined. The website will be updated with these changes. It was also announced that boutique purchases could now be made and processed by credit card. A discussion was held regarding adding PayPal as an option for paying for the Annual Dinner. Carl's AKC delegate report revealed that entry numbers are down approximately 40,000 entries overall, and litter registrations are down by 6.5%. On a positive note, AOH entries are up.
- ◆ **Corresponding Secretary's Report:** Bill Kearney reported that 2013 Montgomery weekend preparations were all in order, and that there were 80 reservations for the Annual Meeting and Dinner. Discussion of the Hatboro shows ensued. Motion was made and seconded not to support the Hatboro entry at its Thursday show, beginning in 2014; motion passed.

Old Business:

- ◆ **Facebook and Website Update:** John Garahan presented website administrator Carol Kearney's update on the new USKBTC website. It is expected to be on line within the next 6-8 weeks, if there are not too many revisions needed. Several additional projects are planned, once the website is completed and running smoothly. Stephanie Clark is still a USKBTC Facebook administrator. She graciously agreed to post each day's show results for Montgomery weekend. It was also decided that a Membership application would be "pinned" to the USKBTC Facebook page, and a post made encouraging interested visitors to join us.

New Business:

- ◆ **Board Code of Conduct:** The Board Code of Conduct was tabled at this time.
- ◆ **Life Membership:** The board discussed the addition of Life Members in the future.
- ◆ **Judges Selection Committee:** The proposed list of judges for 2014-2016 Specialties was discussed. Priscilla made a motion to suspend the rules to engage a Sweepstakes judge for the Traveling specialty in Texas in July 2014; it was seconded and passed. After discussion of the Texas judging panel

(Continued on page 9)

already engaged, motion was made to ask Vicki Abbott to judge Sweeps in Texas. Motion was seconded and passed. Decision was made to select Specialty Judges for 2014 Specialties from the current list. The committee is looking for volunteers to serve as Futurity judges, and future Sweepstakes judges.

- ♦ **Veteran Class Rosettes:** After brief discussion, motion was made to award four (4) place ribbons to each Veterans class. It was seconded and passed.
- ♦ **Futurity Chair 2014:** It was determined that Gigi Lorentz-Reiling will be Futurity Chairman for the coming year.
- ♦ **USKBTC volunteers – Board members and Membership:** The list of volunteers was reviewed and updated, as follows:

USKBTC Volunteers:

AKC Gazette contact – Carol Kearney

Dues Payment and mailing - Julee Manahan will handle both and will maintain the Membership spreadsheet.

Foreign Visitors Committee at Montgomery, Veterinary Advisory Committee, Performance Newsletter Editor and Puppy Referral Service were removed as committees.

Health & Genetics Committee – Scott Kellogg will continue on this committee along with Joy Ellwanger.

Register of Merit - Associate Governor Heidi Gregor agreed to take over these duties from Bonnie Whelehan.

Judge Mentoring Committee – Carol Kearney,

Rich Basler and Nick Fletcher

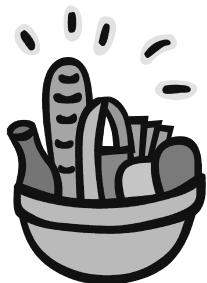

Judge Selection Process – Nick Fletcher agreed to help current members, Martha Nazak and Priscilla Schwenk

Versatility Awards – Lisa Franklin will now handle this award.

- ♦ Discussion was held regarding a Twitter account and the board declined to pursue it.
- ♦ **Traveling Specialty 2014:** Chairman Nick Fletcher reported that plans are set for the Traveling Specialty, which will take place on July 4th weekend in conjunction with the Texas Specialty. There will be five (5) opportunities for majors, with the Texas chapter club holding two shows the same day. Additionally, there will be a terrier specialty and two all- breed shows.
- ♦ **Traveling Specialty 2015** – Bill Kearney will chair this event. It will be held at the Bucks County Show in 2015 as part of the same weekend as the Philadelphia Club Specialty at Trenton.
- ♦ **Club survey:** Discussion regarding a general survey of the membership took place. A list of questions is being compiled and details regarding carrying out this survey are being worked out.

Motion to Adjourn was made, seconded and passed.
Meeting Adjourned.

Respectfully submitted:
Janie MacBryde, Acting Recording Secretary

ATTENTION! ATTENTION! ATTENTION! BREAKING NEWS!!!

It is time for the USKBTC Chapter Club Challenge!

Take part in the fun! Each chapter club is challenged to make a basket filled with items from their area to be auctioned off at the Annual Dinner held on Friday, October 3, 2014.

The more unique items that are in the basket, the more fun to auction off. All money raised goes to the USKBTC Charitable Funds. If no one from your club is attending the dinner you may send items to Stephanie Clark, 14432 W Roanoke Ave, Goodyear AZ 85395 and she will make a basket for you. Items must be received by September 12th.

Questions? Call Stephanie Clark at 623/980-9662 or email s_clark@cox.net. Which club will have the most unique basket this year??? Will it be YOUR club??? Don't let your club be left out of the fun!!!! Hurry!! Get started now!

The Basics of Raw Feeding

By Sara Garthly

The idea of switching to a raw diet can be a daunting one. Not only are we led to believe by the veterinarian field and pet food industry that we couldn't possibly know how to correctly feed this more natural, species appropriate diet, but there are also the safety warnings and myths that seem to border on paranoia and fear mongering. Then there are the perceived obstacles about the logistics of the diet--ratios, daily portions, avoiding digestive upsets, finding suppliers, etc. Lastly, would be the time commitment. Yes, it is a tad more involved than simply scooping kibble out of a bag, but the reality is that once the dog is switched and vendors found, the diet is incredibly easy and much cheaper than kibble to feed.

Between books, internet forums, Yahoo Groups and Facebook pages, there is a whole world out there ready and willing to answer questions, offer support, and lend aid in one's journey. Feeding raw has many successful routes. From feeding all ground to feeding raw meaty bones, also called prey model, each owner feeds according to what feels right to them. Just like with our own diet, no two people feed raw the same exact way. Feeding ground food is pretty much just that--all meat, bones, and organs are fed ground up together. Prey model is feeding whole pieces to mimic the body of a prey animal--a variety of big, meaty parts from a variety of animals with balance over time. The general ratio rule of thumb is 80/10/10--80% meat, 10% edible bone, and 10% organ, with half of the organ intake being liver. Meat would be muscle, fat, skin, connective tissue, muscular organs such as heart and tongue, as well as things like tracheas and gullets. Examples of organ variety would be liver, kidney, spleen, and pancreas, to name a few.

I've been feeding raw for approximately 13 years. The first 3 years were a mix of prey model, ground, and an occasional meal of The Honest Kitchen. I then switched to a completely prey model diet and haven't looked back. I have assisted countless people with their dog's switch and mentor within the raw feeding community, both online and locally. I have also managed two successful bulk-buying co-ops for raw

feeders--one while living in Austin, TX, and one here in southeastern PA. I love feeding the large, involved "work out" meals because they are just that--a work out. Whole deer spines, rack of ribs, whole legs, etc. I simply feed them in an extra large crate or outside. Face, neck and chest muscles are all used when feverishly working to get the meat off the bone, as well as the complete mental stimulation and exhaustion, creating an extremely happy dog and a wonderful food induced "coma". I will then feed less the next day (or two), sometimes just an egg, so the portion balances out. For me, one of the most rewarding aspects of the diet is seeing my dogs' amazing overall glow and vibrancy as well as their incredible zest regarding each and every meal. Some other benefits I have witnessed are: more restful sleep, reduction/elimination of inappropriate energy, better focus, more endurance, white teeth, healthier coat with more thickness, reduced shedding, increased muscle tone with little to no excess fat, no doggy breath or doggy odor, and MINIMAL stool volume and size. There are certainly plenty more benefits that are experienced by raw feeders every day, with a common one being a complete turnaround for a dog with allergies.

The suggested guideline for daily portions is 2-3% of their weight per day. It will depend on the individual dog's metabolism and activity level as to what is their perfect amount. The "perfect amount" can also vary. During the winter months, when my dogs are more housebound, they need much less than during the summer months when they get biked every day. It is important to monitor the dog's weight and adjust the intake accordingly. Puppies are fed calculating 2-3% of their projected adult weight broken up into 3 meals. They are also notoriously easy to switch and started out right away on variety as they are such a "clean slate". Adult dogs will need a careful transition period to let their system acclimate to the new diet. The most important factor for the switch is to GO SLOWLY. Too much meat variety at first will surely lead to digestive disaster. Organs are also withheld during the switch as they are incredibly nutrient rich and easily lead to a bout of diarrhea (which only lasts until the next meal for a seasoned raw dog). I have always switched to raw, and guided people to switch, cold turkey. I want the body to reap the rewards of complete nutrition on a cellular level right away, and have witnessed a difference within a few days. Chicken is commonly recommended as the 1st meat as it is readily available, fairly inexpensive, and a bland meat. For some dogs, it can be as simple as cutting up a whole chicken into meal-sized portions and handing it to the dog. Others might need more assistance and patience at first. When this is the case, some have found success with quickly searing a boneless cut (all bones are fed raw!) to bring out the fancy smell and juices, or a meal or two with a light sprinkle of Parmesan cheese. If the bone is a little confusing at first for the dog, breaking it up into pieces with a mallet or hammer can make it less overwhelming.

Stay with the 1st meat until the dog is showing you he is well adjusted (readily eating, no digestive upsets, and regular, firm stool). As stated earlier, the typical recommen-

(Continued on page 12)

(Continued from page 11)

dation is at least a week or two. Adding the 2nd meat (many do pork) can be as simple as offering it to the dog at the next meal, or can be broken down more slowly over several meals. When I switched adult dogs in the past, I alternated the 2nd meat every other day, but I've known people who stopped the 1st meat for several days when introducing the 2nd meat. Usually after a month, the dog's system is much more acceptable to variety and new meat intros are not needed. Having a mentor during this time is quite beneficial to answer any questions and helps the owner not feel so alone during the switch. This is where the Internet forums come in so handy.

Somewhere around the 4-5 week mark, when both owner and dog are a little more experienced with the diet, organ is introduced. As previously stated, since they are very nutrient rich and can create loose stools very easily, it is important to go very slow when introducing them. Organs can have an "Eww" factor, even for the most seasoned raw fed dog. It is not uncommon to hear of them being fed ground, hidden in something the dog LOVES, fed frozen, or "doctored". Luckily, they only need 10% total intake, so some people even feed bite-sized portions every day.

Without a doubt, an important appliance for the raw feeder is an extra freezer, as finding sources is another factor of the diet. An extra freezer enables one to take advantage of bulk buying, stocking up on food sales, maintaining variety, etc. Here again, the Yahoo Groups and Facebook are great resources, either by joining the supplier list or finding a local raw feeding co-op. Asking the meat department in the supermarket where they order their meat can provide you with a possible source as many meat purveyors sell to the public. Hunting season is another great opportunity as that is all free meat and bones. Finding a deer processor willing to give away all the trimmings and bones is a HUGE score, then asking them if they know anyone who processes other farm animals (cow, bison, goats, sheep, etc.) may lead you to another source. The key is to never stop looking, never stop asking. It will pay off. Even after 13 years, I still am always on the lookout for new/better suppliers for cheaper meat and more red meat variety. Ideally, the diet should include as much red meat as possible since it is more prototypically correct for the canine carnivore. As I found more red meat suppliers and fed less and less poultry, I noticed an even more marked improvement in my dogs. Poultry is now almost non-existent in my dogs' diet.

Many people ask me what I do for treats. I don't really do "just because" treats. With all of the chewing fun they have with bones, they are mentally happy and don't even look for treats. For training treats, I usually do cut up string cheese, but one could use anything since treats are such an insignificant contribution to the overall diet.

When it comes to the veterinarian I choose to hire for the care for my animals, I don't really discuss diet with them. It is not their choice as to how I feed my dogs, much like how my doctor is not my nutritionist. If they don't support my choices, I take my dogs and my money elsewhere and find a vet who respects me as a pet owner. If your vet or trainer openly said they hated your Kerry blue terrier,

you would look elsewhere, yes? The same is true for the diet. Find a vet who is supportive, there are plenty out there.

While the much talked about risk factor of bones getting stuck or perforating the intestine can happen, the reality is it isn't very common. Usually the cause is feeding incorrect bones. Cooked bones are a huge culprit of these stories, as well as some of the weight bearing bones that can splinter as the dog is chewing. A dog's digestive tract is much more acidic and designed to digest raw bones. As for the safety warnings, many raw feeders simply don't understand all the fear and scare tactics surrounding this diet. Safe food handling is common sense, whether for us or our pets, and people overlook the fact that the same safety warnings are in place about handling kibble. No extra precautions are needed and there isn't any greater risk from feeding raw. Period.

Meet the Breed Banners Available!

For those clubs who plan to host or participate in a "Meet the Breed" type event, the USKBTC has banners available. The display, which appeared in December at the "Meet the Breed" event before Eukanuba, consists of 3 canvas panels, each one 2 feet wide and 8 feet long with grommets at the top. Hung together, they display our versatile Kerry blues participating in many various activities: herding, therapy work, obedience, agility, and more.

These banners can be shipped to any chapter club to create an impressive presentation of our wonderful, fun-loving breed. Many thanks to Nancy Vance and the KBTC of Central Florida for their work in creating this display. If your chapter club is interested in using these banners, email Reatha Omodio at omodio@verizon.net or call 813/991-9083.

Raw Feeding - Easier Than You Think

By Reita Nicholson

Raw feeding is easier than you think it might be. When I first started, it was done with some doubt if I could feed raw or if my dogs would eat it? That was around five years ago and it has been a very good experience. Young puppies to older dogs benefit from eating raw.

The way I started was to put a couple ounces with their kibble. The dogs never had a problem with the raw being added. There was never an upset stomach or diarrhea with any of my dogs. Chicken is always a good meat to start with, most dogs eat it readily. Soon I was feeding primarily raw. It's an easy process to do, I weigh my dogs raw with each feeding so that I can monitor if they need more or less. They eagerly wait for their dishes to be set before them.

You can feed your dog a variety of raw meat and raw meaty bones. My dogs enjoy beef, pork, chicken, turkey, quail, venison, rabbit, salmon, sardines and any other raw that I can get my hands on. They also get organ meats, but this is not served as a meal alone, it is a smaller portion of the feeding (about 10%) and not every day.

Yes dogs can eat bones, and they should be raw; always remember never cooked bones and never defrost your raw in the microwave. When bones are cooked they splinter easier and can cause problems. Chicken thighs, wings, back, rib bones, and necks are very easy for the dogs to eat. If you are concerned with the size of the bones, you can use a hammer and crack the bones before feeding. Pork ribs are always a treat which the dogs enjoy chewing and eating. Cut the ribs from the chicken breasts before cooking and place them in your dog's dish.

Once it is out that you feed raw to your dogs, the neighbors will bring their older frozen meat to you when they are cleaning out their freezer. When they have a new deer for the season, what's left of the old comes to our place. I ask the local hunters to please send any unwanted venison my way. Check your local grocery to see if they are having a meat sale, you can pick up some good bargains that way. I buy beef from a distributor that butchers and packages it for the dogs. You can locate distributors on the internet and there are numerous sites about raw feeding. A good book is Raw Dog Food: Make It Easy For You and Your Dog, by Carina Beth MacDonald.

I'm sure a lot of you wonder about the dangers of feeding raw. As long as common sense is used you should not have a problem. After preparing their dinner,

clean up your area and wash your hands. I would do the same if I was handling kibble.

There are so many benefits of feeding raw that I hope I can mention them all: Beautiful clean teeth from the raw meaty bones and chunks of raw. Coats that shine, more vitality, better stamina. Less volume in stools and less often. They maintain a great weight and wonderful muscle tone. Well check-ups from the vet come back excellent. My dogs have clean beards and good smelling breath, no doggie breath from dirty teeth. There is not a problem with keeping them clean when they eat raw. Also raw feeding is less expensive than what you may think.

I want to take this opportunity to thank both Sara Garthly and Reita Nicholson (Kerrisel) for sharing their knowledge and experiences about Feeding Raw.

KBTC-St. Louis 2013 Annual Report

The KBTC-StL held its 32nd annual specialty show on Saturday September 14, 2013 in conjunction with the Three Rivers Kennel Club all breed show in Gray Summit, Missouri. The judges were Ms. Sara Lagassa for sweepstakes and Mr Gary Doergefor the regular classes. The Specialty had a decent entry, just shy of a major in bitches and a strong specials class. The post show dinner was well attended and everyone enjoyed the new dinner venue, The Hawthorne Inn in Labadie, just a few miles from the show site.

We welcomed the Matturro family to our membership and welcomed new faces to the show ring. The St. Louis area Kerry Blue population has grown this year with a rescue placement in November with John and Tish Mullen. This was their second USKBTC rescue dog. We continue to educate the new owners, groomers and the public, through club sponsored events and participation in the AKC Museum of the Dog Guest Dog of the Week program.

Congratulations to club members who put AKC titles on their dogs in 2013.

KBTC- Chicago 2013 Annual Report

2013 was a year filled with new events and exciting changes!

Member and Certified Instructor with PetTech, Nicole Carfora Ruiz hosted an event featuring first aid and CPR Training. Many of us took part in this special opportunity to become certified in CPR so that in the event of an emergency we will be prepared for our Kerry family. Members also took part in Meet the Breeds

events at Gaelic Fest and The International Kennel Club benched show in Chicago, along with our annual St. Patrick's Day and Christmas luncheons. The KBTCC has been fortunate to be joined by numerous new members this past year, excited to get involved and help us celebrate the Kerry Blue Terrier. We also had a very successful launch of our new website www.chicagokbtc.com, please check it out!

Our most exciting announcement in 2013 was our plan to move our Specialty to a beautiful, dog friendly, exhibitor conscious new venue in August at the Kane County Fairgrounds in Elgin, IL. In 2014 we will host an event like it has never been done before in our eighty-one year history. Three days, four events, including one independent and one concurrent Specialty! Please mark your calendars August 22, 23, & 24 for this inaugural event, come make history with us!

I know I have said it before but I feel it can never be said enough, my sincerest thanks and gratitude to those who dedicate themselves tirelessly to contributing their time and energy to our club, our events, and our beloved Kerries!

Our success is all because of you!!

Our May specialty weekend truly kicks the spring show season into high gear here in the east. Garden State All-Terrier (supported entry), Bucks County KC (supported entry), our specialty in conjunction with Trenton KC and a supported entry for Trenton KC again on Monday round out our specialty weekend. Our club hosted a lunch following the breed judging on Sunday and yes, there was cake.

Kerry fun day at the Brown's is an August fixture on which no rain ever falls. A fun match, grooming and handling lessons, and camaraderie make for a full day.

We look forward to our Spring 2014 weekend, and hope you will make plans to join us!

2013 Annual Report**

This past year has really been a busy year for our club. We started 2014 with our successful specialty back at Brooksville and in April we will have a new leadership team with Judy Agnew as President, George Hanna VP, Conni Adams will remain Treasurer and Tuesday Hanna will be our Secretary. We hosted a very successful National Travel Specialty for 2013 in January at the Ocala site. We also hosted the National "Meet the Breed" at the Eukanuba Show in December at the Orlando Convention Center. I want to thank everyone for making it a very successful event. Everyone that attended had a great time.

At our Specialty for 2014 January 18th, we had a Pizza Party on Friday night and our annual dinner at the Southern Hills Country Club on Saturday night. It was a great time with great Kerry people. Overall we had a great year in 2013 and added 5 new Kerry members.

Congratulations to everyone that participated and we really appreciate everyone's help in making this a successful year. Going forward in 2014 we have the following officers who will take office at our April meeting:

**KBTC of Geater Pittsburgh
2013 Annual Report**

Our 2013 Specialty Weekend started out with all of our annual Kerry Members coming together, to clean, decorate, and party together in Pittsburgh fashion to get ready for our show. Tradition is the word I am looking for. Our goal as a Club is to be happy, think positive, protect, and promote our breed. We take pride in our Hospitality, Pizza Night, Banquet, Dollar Raffle, and providing lots of fun things to do all weekend. There is always a member ready to help if needed.

Our Club's 2013 Specialty was honored with up to 39 Kerry Blue Entries. We thank Martha Nazak and Janie MacBryde for judging our Sweepstakes. We also want to invite everyone to our Pittsburgh Specialty, five shows in one location in 2014. Specialty Days are Saturday, May 24th, 2014 and Sunday, May 25th, 2014.

PLEASE CHECK OUR AD IN THIS ISSUE OF BLUE-PRINTS!

It has been a pleasure to serve as your President, 2013. Without all of you, members and friends of the Kerry Blue, none of this would be possible. Thank you all.

Our annual Summer Specialty weekend has now been held successfully at the Queen Mary Events Park for several years. Saturday, we support Great Western Terrier Association, and, on Sunday, we have our club's Specialty and Sweepstakes. This year, one of our club members, Suzanne Stull made us all proud by winning Best of Breed handling her own Kerry.

Next year, for our 2014 Summer Specialty weekend, we have completed the extra steps to add an additional day, creating a 3 day opportunity for Kerry lovers around the world to compete for majors and enjoy one

of the most spectacular dog show grounds in the country.

Our more casual Winter Specialty has been held at Shoreline KC All Breed show in Costa Mesa. This has turned into a relaxed weekend of shared food, grooming tips, mutual support, and love of Kerry Blue Terriers.

We continue to be available to help Kerry Blues in need of new homes. We placed two this year, and are thankful the need for these efforts appears less than past years. We also support the Pasadena Grooming Expo by sending one of our member Kerry Blues to participate in this competition. It's a great way to show off our beautiful breed, and mingle with some of the best groomers from around the world.

In early 2014, several of us are participating in a Barn Hunt training and instinct trial weekend. It promises to be a great deal of relaxed fun time with the dogs and people we adore. The club is making note of what great breed outreach is done by our AKC titled therapy dog. Several more members are interested in pursuing that title. Also, we are investigating herding and lure chasing opportunities for 2014.

KBTC of Ohio 2013 Annual Report

The Kerry Blue Terrier Club of Northern Ohio began in 1978 and was chartered by the AKC in 1980. We have actively hosted Kerry Blue specialty shows and outreach programs for over three decades. Our goals are closely modeled after the USKBTC, and we value the strong and cooperative relationship we have formed with their leadership and other Kerry Clubs.

The KBTCNO operates north of Hwy Interstate 70

within Northern Ohio's borders, servicing the larger extent of The Greater Cleveland/Akron/Canton Metropolitan Area within the Northeast Ohio Geographic Region.

Our 2013 Canfield Ohio Specialty was once again spectacular, and we must thank all those who attended for making it so special. Results and winning photos are posted in the Fall/Winter Blueprints. We invite all Kerry lovers, breeders, and chapter clubs to visit us in Canfield Ohio this year and "Share in its Magic".

There has been a renewed focus on giving back to our community by increasing the knowledge of Kerry Blue Terriers to the public at large by participating in AKC "Meet the Breed" socials, as well as local Irish Festivals. We actively promote ongoing breeder and puppy referral, support of the US Club, and Rescue.

The past couple years he have hosted a herding event in the spring and Kerry Class Reunion at our summer specialty both designed to attract past members, acknowledge retired breeders and reunite family pet owners with our club. Like so many Kerry Clubs, our local membership has been getting older, retiring and not actively breeding as in the past. We face similar challenges attracting younger members, introducing new blood into the sport and having active volunteers. We are searching for ideas.

In the spirit of fellowship and support of our Kerry community I'd like to propose a simple fun recognition program to the US Club and Chapter Clubs entitled, "My Kerry Travels" that would acknowledge breeders who attend each club's specialties. This program would give recognition to those attending three or more Kerry Specialty events. Those attending more would earn the bragging rights of attaining a higher designated level of achievement. Let's encourage Chapter Clubs to reach out to each other, share successes, pool resources and build towards further strengthening our breed, sport and future. Would love to hear your thoughts and together create a stir of compelling ideas.

In the meantime we will continue to reach out in with genuine cooperation and encouragement. We're always eager to help.

Election of 2013 Officers in December 2012

Elected Officers at our December Holiday Party: President- Diane Lee, 1st Vice President Nancy Han, 2nd Vice President Carole Dickenson, Treasurer Vern Homolka and Secretary Connie Robbins. Members of the Board included Tomoko Hirokawa, Sheryl Homolka and John Robbins. Members gathered in early February to plan the year's activities that included the annual grooming seminar, barn hunt, lure course, and specialty.

The new website was developed using Google Sites by Connie Robbins and released in late January. The site allows for members to signup for events and for those seeking information on available puppies to find up to date information. A calendar function is linked to the KBTCNC secretary email. The webpage address is still www.kbtnc.org

The annual Grooming Seminar was held at Dog's Best Friend and Cat's Meow on March 17, 2013. Members in attendance enjoyed a great seminar, club meeting and potluck with corned beef and cabbage, colcannon, potatoes, Irish soda bread, and other delightful delicious items. Carole Dickenson and Tomoko Hirokawa led the seminar by sharing some slides of the structure of the kerry, and gave us some examples of good grooming techniques as well as what to avoid in the trim.

Two Club members with their dogs made it to the Lure course the 2nd Saturday in August and took the Lure course by storm! Stephanie & Bob Bryne with Peanut, and Connie & John Robbins with Izabela. Located in Aptos, the Lure course was presented by Living with Dogs, a training program for dogs that includes agility, nose work and many more. The Lure course is offered on a Sunday morning usually the 2nd Sunday of the month. Over 20 dogs of all shapes and sizes participated.

The Kerry Blue Terrier Club of Northern CA Specialty was held in conjunction with the Del Valle Kennel Club Shows on October 19th, 2013. 16 Kerry Blue Terriers participated in the Specialty. A great turnout for our 60th Anniversary Specialty! After the show, we had a lunch and the Annual Draw for prizes. (Pictures of prizes and the Specialty are posted in the club Facebook). New member Melissa McCain-Jones won the grand prize, which was a pair of Japanese steel scissors. Veteran dog CH. Los Carneros Big Slick won Best of Breed and later in the day a Group 4 win! Best

KBTC - Lower Michigan 2013 Annual Report

The Lower Michigan Club is strong and happy. We really do enjoy being with each other. This past year, though, has been a trial for us in that several members have faced serious illnesses. We still need to run our A Match in order to finally receive our AKC approval as a specialty club. If it weren't for those illnesses, we might have had that accomplished already. Nevertheless, we will get it done in 2014. We look forward to holding our very first specialty show in July of 2015.

For this summer, though, we have a plan that should be interesting and enticing for potential attendees. We are going to take a look at Kerries over the years and years and years. Partly, that is just an acknowledgment that we all are getting older and older and older. But mostly it is meant to be an educational event for us all. Everyone is encouraged to bring a scrapbook or twenty of the Kerries they've owned or been associated with so that we can all learn from each other. Also, the trophies this year will be prints of extra special Kerries from down through the years. I hope many of you can make it. I guarantee if you do, you will have a Kerry good time!

Miss Squiggy Goes to School

By Jaimie Ashby, Blujac Kerries

Miss Squiggy has gone back to school! She and her sidekick (Jaimie Ashby) are participating in the Pet Responsibility Program in the Guilford County Schools. Established in Moore County, North Carolina about 7 years ago and quickly spreading to other areas, this program consists of six fun, well-planned lessons that teach children about the basic needs of animals, how to keep themselves and their animals safe and healthy, and the importance of having pets spayed or neutered. Students also learn ways to safely handle encounters with unknown animals, how to share the information they learn with others, what it means to be a responsible person and how the decisions individuals make can affect entire communities.

Pet overpopulation is a serious and growing problem in many areas of the country, leading to overcrowded animal shelters, increased animal abuse and neglect, increased animal attacks and unnecessarily high rates of euthanasia. Through the Pet Responsibility Program, stu-

dents learn that by talking to their friends and families about the importance of having pets spayed or neutered they can help solve the problem of overpopulation. The six week program has a specific curriculum focusing on being a responsible owner, the welfare of dogs AND cats, and the importance of spaying or neutering. There's also a great video from AKC that covers things such as how to approach a dog and what to do if you see a stray dog.

The therapy dogs come in for the last session, and they totally take over the class. Miss Squiggy does some of her tricks (which she ALSO does on her nursing home visits), and the kids all love her. It's tough to keep this last session to just one hour, because the kids have tons of questions

and enjoy interacting with the dogs. It's an excellent activity for Miss Squiggy, who at 14 years of age absolutely adores the attention! I cannot tell you how much BOTH of us have enjoyed participating in this program. If anyone has any questions, please don't hesitate to contact me for more information about this great program!

Many thanks to Jaimie Ashby for sharing this article and photos about Miss Squiggy and her latest adventures!

Trophy Update

The USKBTC wants to thank Diane Harrison for having the **Douglas McClain Memorial Trophy for Winners Bitch** refinished and remounted, and then graciously donating it back to the USKBTC for continued use. This challenge trophy, originally donated by Mr. & Mrs. Don Gregori, was retired by Diane at our National Specialty at Montgomery County Kennel Club in October of 2012. Fortunately for the club, Diane decided that we needed it more than she did and donated it back to us after some much needed cleaning and repair!

Diane first won this trophy with **Blue Hill's Swept Away**, co-bred and co-owned with Laurie Rent and Matthew Olsen, in 1998 under breeder judge Mrs. Edith Izant. Her next win came several years later with **Wildside's Why Not**, co-bred with Suzanne Tolleson and owned by Diane, in 2003 under breeder judge Mr. H. Scott Kellogg. Diane retired the trophy in 2012, with **Wildside's No More Drama**, co-bred and co-owned with Angela Chase, under judge Dr. Gerard C. Penta. And shortly after, Diane also retired after being active in the breed for 37 years. But that doesn't mean **Wildside** is going away ~ Angela Chase is taking over the reins, with Diane's advice and support from time to time. So keep your eyes open for the next generation!

Do you have trophies at home that you are wondering what to do with and no longer want? Perhaps following Diane Harrison's lead and donating them to a Kerry blue terrier chapter club or the National club would be workable for everyone. Whether they come back as a brand new award or in their previous form, it could be a win-win for you and for the club.

Thanks again, Diane! Enjoy retirement. . .

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

Support the 2014 Montgomery Trophy Fund Drive!

Help support the trophy donation fund for our an-
nual specialty weekend! These donations pay for
the trophies and rosettes offered at the USKBTC
sweepstakes, Friday Hatboro show, Saturday Devon
show, and Sunday Montgomery national specialty
(over 80 trophies and 100 rosettes). There are three
easy ways you can donate:

E-MAIL your name, address, phone number and
pledge amount to **scotkell@aol.com**. Or **SEND**
your check, made payable to USKBTC, to: Scott Kel-
logg, 3636 S. Mountain Road, Knoxville, MD 21758.
Or you can make a donation **ONLINE** by going to
www.uskbtc.com, clicking on the "donations" tab
at the top; clicking on "make a donation online",
then clicking on "Montgomery trophies." All donors
names will be listed in the Montgomery catalog and
also in Blueprints.

Again this year, we have a special category of
"**Dedication Contributions.**" A \$100 donation
will sponsor a class first prize at he Montgomery
specialty. You may dedicate your donation to a fa-
vorite dog, admired show dog, past or present men-
tor, special Kerry person, etc. There are twelve clas-
ses to cover at the Montgomery show. Dedications
will be listed in the Montgomery catalog and in
Blueprints.

**The deadline for trophy donations is July
31st.**

tary Connie Robbins. Members of the Board included Tomoko Hirokawa, Sheryl Homolka and Cheri Gacetta. At this time there are 24 current members in our club.

A Puppy Handling workshop at Clouds Rest Winery was held the last weekend of December. It was a beautiful day in Petaluma, CA where nine Kerry puppies, and one champion kerry learned about how to walk in the ring, how to stack, and how long it takes for the judge to make their review. Big thanks to our hosts John Saemann and Scott Schuette for providing a wonderful place to practice and a delicious lunch for the participants after the workshop. Nancy Han and Tomoko Hirokawa provided instruction to the group on the basics of conformation. The puppies were very quick studies! Can't wait to see some of them in a few months in the ring!

Respectfully submitted;
Connie H. Robbins

KBTC-Hawaii 2013 Annual Report

Greetings from the Kerry Blue Terrier Club of Hawaii! We continue to display our dogs at local conformation, performance events and community pet expos. Our dogs not only participate at the usual shows, but also in barn hunt and obedience events, and in therapy work.

Our members are also energetic lobbyists for the best interest of ALL Hawaiian dog owners, opposing harmful, nuisance regulations (as proposed by unfriendly backers, so as not to pass through our state legislature.

Please get in touch with us if you plan to visit Hawaii ~ you might enjoy one of our outdoor shows.

Respectfully submitted,
Heidi Gregor, President

THE UNITED STATES KERRY BLUE TERRIER CLUB CODE OF ETHICS

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

I. RESPONSIBILITIES AS A MEMBER

- Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.
- Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

II. RESPONSIBILITIES AS A BREEDER

A Breeder shall:

- Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.
- Be prepared to assume lifetime responsibility for any litter produced.

III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER

- Act professionally at all times in caring for and exhibiting any dog in your charge.
- Do not engage in any questionable contact with judges prior to exhibiting under them.
- Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

IV. ENFORCEMENT

- The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
