Regarding (dog's name):

Dear

In order to make intelligent decisions on the breeding of Kerry Blue Terriers, it helps to understand how past dogs/litters are developing. Would you please take a few minutes to answer some questions regarding the health of your Kerry Blue Terrier?

Thank you for your help, for the benefit of the breed.

Breeder's Signature:

1. How would you describe your dog's health?

2. How frequently does your dog go to the veterinarian?

3. Age of dog.

4. Vaccines (check if current): Rabies Parvo Kennel Cough Lyme Other

5. Heart worm treatment (brand name):

6. Flea prevention (brand name):

7. Please tell me of any problems that your dog has had and for which he has needed treatment:
